

# 2024 KIEES Winter Conference

February 14 (Wed.) ~ February 17 (Sat.), 2024

ICC JEJU, Jeju Island, Republic of Korea

## Important Dates

- Paper Submission Deadline : ~~December 22 (Fri.), 2023~~ → **January 5 (Fri.), 2024**
- Acceptance Notification : January 12 (Fri.), 2024
- Early Bird Registration : December 26 (Tue.), 2023 ~ February 6 (Tue.), 2024

## Topics of Interest

- EMI/EMC/EMP
- Microwave/mmWave Active Circuits
- Antenna Theory & Design
- Radar & Remote Sensing
- Biomedical Applications
- Radio & Broadcasting Policies/Standards
- Electronic Warfare & EM Security
- EM Theory & Computational EM
- EM Components and Materials
- THz/Optical Systems & Components
- CR/SDR
- Satellite and Cosmic Radio Waves
- EM Measurement
- Broadcasting Technologies/Applications
- Microwave/mmWave Passive Circuits
- Radio Wave Propagation & Scattering
- IoT & Sensor Network
- EM Bio-effects & EMF
- Wireless Communication Systems
- Wireless Power Transfer & Energy Harvesting
- Emerging Technologies (B5G/6G, AI, Deep Learning, etc.)

※ Presentation Time

- Oral presentations : 15 minutes (Including Q&A)
- Poster presentations : 1 hour

## Paper Submission Guideline

- Paper submission website : <https://www.kiees.or.kr/> → Login → 행사/행사안내 → 학술대회 상세정보
  - The paper template can be downloaded from the conference website.
  - The first author must be a member of KIEES to submit a paper.
- The paper length is limited to 1 page (size : A4).
  - For the Best Paper Award competition, the paper length must be 2 pages (1-page paper for industry or research institute).
  - All participants for the Best Paper Award must choose an oral presentation. (Undergrads: poster presentation)
- ※ Academic Best Paper Award : The first author is with university, Industry or Research Institute Best Paper Award: The first author is with industry or research institute.
- ※ The author is required to choose a competition area among "AP/EMC/MTT/RADAR/Others"
- ※ Academic Best Paper Award papers should be submitted with the front page form provided.
- The author can choose a preferred presentation type (oral or poster) during the paper submission process. However, it might be switched to another by the technical program committee with notice.
- Both oral presentation and poster presentation are only possible in offline (on-site) format.

## Additional Information

- All papers submitted for the Best Paper Award will be judged by the award committee in the first round. Selected papers will then be presented in competition sessions held by each expertise (AP/EMC/MTT/RADAR/Others).
- The 4th Student Project Exhibition & Competition
  - Please see a separate announcement for eligibility and application.
- Authors of award-winning and recommended papers (by session chairs) will be asked to publish their works in a special issue of JKIEES\* or JEES\*\*.
- \*JKIEES : Journal of Korean Institute of Electromagnetic Engineering and Science
- \*\*JEES : Journal of Electromagnetic Engineering and Science (SCIE)
- Organizing a special session is highly encouraged. Please contact the conference secretariat for more information.
